## Glossary of Heaith Coverage and Medical Terms

- This glossary defines many commonly used terms, but isn't a full list. These glossary terms and definitions are intended to be educational and may be different from the terms and definitions in your plan or health insurance policy. Some of these terms also might not have exactly the same meaning when used in your policy or plan, and in copy of your policy or plan document.)
- Underlined text indicates a term defined in this Glossary

See page 6 for an example showing how deductibles, coinsurance and out-of-pocket limits work together in a real See page 6 for
life situation.

## Allowed Amount

This is the maximum payment the plan will pay for a covered health care service. May also be called "eligible expense", "payment allowance", or "negotiated rate".

## Appeal

A request that your health insurer or plan review decision that denies a benefit or payment (either in whole or in part).

## Balance Billing

When a provider bills you for the balance remaining on the bill that your plan doesn't cover. This amount is difference between the actual billed amount and the allowed amount. For example, if the provider's charge is $\$ 200$ and the allowed amount is $\$ 110$, the provider may
bill you for the remaining $\$ 90$. This happens most often when you see an out-of-network provider (non-preferred provider). A network provider (preferred provider) may not bill you for covered services

## Claim

A request for a benefit (including reimbursement of health care expense) made by you or your health care provider to your health insurer or plan for items or services you think are covered.

## Coinsurance <br> Coinsurance

Your share of the costs
of a covered health care of a covered heatth care
service, calculated as a percentage (for example, $20 \%$ ) of the allowed amount for the service. You generally $\begin{array}{lll} & 20 \% & 80 \%\end{array}$ pay coinsurance plus (See page 6 for a detailed example) any deductibles you owe. (For example, if the health $\frac{\text { insurance or plan's allowed amount for an office visit is }}{\text { S }}$ $\$ 100$ and you've met your deductible, your coinsurance payment of $20 \%$ would be $\$ 20$. The healt
plan pays the rest of the allowed amount.)

Complications of Pregnancy
Conditions due to pregnancy, labor, and delivery that require medical care to prevent serious harm to the health of the mother or the fetus. Morning sickness and a nonemergency caesarean section
complications of pregnancy.

## Copayment

Copayment
A fixed amount (for example, \$15) you pay for a covered A fixed amount (for example, $\$ 15$ ) you pay for a covered
health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

## Cost Sharing

Your share of costs for services that a plan covers that you must pay out of your own pocket (sometimes called "out-of-pocket costs"). Some examples of cost sharing are copayments, deductibles, and coinsurance. Family cost sharing is the share of cost for deductibles and out-of-pocket costs you and your spouse and/or child(ren) must pay out of your own pocket. Other costs, includin your premiums, pendes yo mar to pay, or the cost of care a plan doesn't cover usually aren't considered cost sharing.

## Cost-sharing Reductions

Discounts that reduce the amount you pay for certain services covered by an individual plan you buy through the Marketplace. You may get a discount if your income is below a certain level, and you choose a Silver level health plan or if you're a member of a federallyfecognized tribe, which includes being a shareholder in an Alaska Native Claims Settlement Act corporation.
services before your plan begins to pay. An overall deductible applies to all o
almost all covered items and services. A plan with and services. A plan with
an overall deductible may (See page 6 for a detailed services or groups of servies that apply to specific services or groups of services. A plan may also have only $\$ 1000$, your plan won't pay anything until you've met your $\$ 1000$ deductible for covered health care services subject to the deductible.)
