

DONATING FACE MASKS

To donate cloth masks for Bloomington Public Schools employees working in childcare, meal distribution and other essential functions, follow these steps:

- Visit **sewing.com/cloth-mask-diy** for instructions on sewing masks.
- Email us at **commrelations@isd271.org** to arrange a time and location to drop off masks.

Thank you to our families and community members who have offered to help in this effort.

The CDC recommends cloth masks as a source control, not prevention. Donated masks are laundered and sanitized before distribution to staff.
