

Bloomington Community Education COVID-19 Class/Camp Health Screening

This is a screening tool to be used for all camps and classes. This screening is to be conducted by the participant or participant's parents prior to attending class.

- Ask the student or yourself, do you have **ANY** of the following symptoms:
 - **TEMPERATURE/FEVER** of 100.4 F or above (Yes / No)
 - **COUGH** (Yes / No)
 - **SHORTNESS OF BREATH** (Yes / No)
 - **LOSS OF TASTE OR SMELL** (Yes / No)
- If **ALL OF THE ABOVE HEALTH QUESTIONS ARE NO**, then you/the student can attend their camp/class. **Masks are required to be worn by all persons over the age of 2 when you are in a Bloomington Public School Building. Adults, 18 and over, are required to wear a mask for outdoor activities.** This includes coaches, staff, and parents. **Social distancing is to be maintained at all times** for all. Remember, it is Bloomington Community Education's policy to have at least 1 parent onsite for any class where children 4 and under are participating.
 - Per the Governor's directive, there is no longer an exception for fitness or sports classes, except for swimming, gymnastics, and wrestling. **Nine feet of social distancing is required for group fitness classes.**
- If **ANY OF THE ABOVE HEALTH QUESTIONS ARE YES**, you/the student **WILL NOT BE ALLOWED** to attend class/camp. Parents will be asked to take their child(ren) home.
- If you or your child becomes sick during class/camp, you will be asked to leave the class. Parents will be asked to take their child home. If the parent is not onsite, the coach/instructor will call the parent to pick their child up. The child should be separated from the rest of the class until a parent can pick the child up.
- Appropriate follow up will be done if you/your child becomes ill with COVID-19 as directed by the Minnesota Department of Health.
- Changes to this document may occur at any time depending on Minnesota State Guidelines and Directives, as well as ISD271 mandates.
