**SECTION 5 –

Nothing contained in this Contract will be construed to limit, impair, or affect the right of any employee or their Representative to the expression or communication of a view, grievance, complaint, opinion or representation on any matter related to the conditions or compensation of public employment or their betterment, as long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the Representative.

5.2 Right to Join

Employees will have the right to form and join labor or employee organizations, and will have the right not to form and join such organizations. Employees in an appropriate unit will have the right by secret ballot to designate a Representative for the purposes of negotiations, grievance procedures, and terms and conditions of employment for employees of such unit.

After completion of the probationary period, employees will only be disciplined or terminated for cause, based on a finding by the District. Except in cases of termination, the goal of discipline will be remediation. When appropriate, as determined by the District, the first step for making an employee aware of the need for corrective action will be a non-disciplinary verbal warning or counseling. Discipline will normally be prescribed in the following manner, unless the circumstances warrant otherwise:

Step 1. Written Warning

Step 2. Written Reprimand

Step 3. Suspension without Pay

Step 4. Termination

5.6 Personnel File

The Executive Director of Human Resources will notify employees in writing when material(s) related to progressive discipline are placed in the personnel file. The employee will have the right to reproduce any of the contents of the file at the employee's expense. The employee will have the right to submit for inclusion in the file written information in response to any material contained therein.

5.7 Removal of Document

Employees may request that the documentation of disciplinary action be removed from the employee's personnel file pursuant to the Minnesota Government Data Practices Act.

5.7.1 Written Warning: Only the personnel file may be used as evidence in any disciplinary action or hearing. The posting will state the date posted and remain posted until 11:30 PM on the fifth day. Employees within the unit who respond within the posting period will be considered for the vacant positions in accordance with the following. Employees may be given a test that is relevant to the position in order to ascertain the employee's qualifications. If one applicant is tested, all applicants must be tested with the same relevant test.

5.8.1 Right of Assignment: The District retains the right to make changes in assignments provided the change does not affect the employee's classification or shift. The District will not be required to post the position to which the employee is reassigned.

5.8.2 Disruption of Assignment and Transfer Procedures: The District retains the right to disrupt assignment and transfer procedures based on an employee's documented record of performance or conduct deficiencies and short-term assignments necessary for effective operation as defined under 5.8.4b.

5.8.3 Rights of Promotion and Transfer

Internal candidates who are qualified must have the first right of refusal. However, the District retains the right to select the successful candidate. For competing candidates within the bargaining unit, seniority will be a consideration but will not be a controlling factor. Nothing in Section 5.8.3.b will limit the right of the District to select the successful candidate from outside the bargaining unit.
- c. The District retains the right to hire from outside the bargaining unit when no one from within the bargaining unit responds to the posting or meets the qualifications.
- d. Employees in the bargaining unit who are promoted to a higher classification will serve a ninety (90) working day probationary period which may be extended another 90 days by mutual agreement. An employee who moves from Class I or Class II to a higher classification will not be subject to a reduction in pay.
- e. An employee who fills a posted position in Class I will not be eligible to apply for other Class I positions for a period of twelve (12) months, unless approved by the Director of Operations or designee.

- b. The District reserves the right of temporary assignment and transfer within the unit so long as the temporary assignment or transfer does not exceed ninety (90) calendar days. Temporary assignments may exceed ninety (90) calendar days when the assignment is for an absent regular employee or when the assignment is to a position, which is temporary in nature in that it is scheduled for a defined limited period of time not to exceed twelve (12) months. If no employee within the unit is deemed available or qualified for the temporary assignment, the District will have the discretion to employ from outside the existing bargaining unit employees. An individual newly hired or rehired to fill a temporary position will be excluded from rights of seniority, salary step advancement and re-employment service credit for the time in a temporary position.

5.8.5 Classification

- a. **District Right of Classification:** The District will retain the discretionary right to classify or reclassify positions within the unit based on Pay Equity.
- b. **Employee Grandperson Right:** For the term of this Contract, no custodial employee incumbent in a position will be reduced in wage, class or step based on a reclassification of that employee's position.
- c. **Union Right of Notice:** The District will provide the Union notice of position reclassification at least ten (10) days prior to the effective date of the reclassification. Effective date of classification will be the date an employee is assigned to the new classification.

- b. Routes will be bid and awarded by seniority and District determined qualifications. Qualifications for a route will be included in the posting.
- c. **Casual Employees:** Casual employees, not considered part of the bargaining unit as defined by the Contract, will not be included on the seniority list.

5.8.7 Assignment Preferences

- a. Bus drivers not having a regular summer transportation assignment will receive preference for all custodial summer positions, with said assignment selection being based first on qualifications and then seniority. The District will provide, and the employee must successfully complete the necessary custodial and health and safety training for these positions. Wage rates will be at the rates of the posted summer custodial position(s).
- b. Non-driving custodial employees who wish to be assigned to driving assignments will receive preference over persons not in the bargaining unit provided said employee meets all qualifications and requirements for the driving assignment.

5.9 Union Business

- 5.9.1 Negotiations:** It is the intent of the District to neither restrict the rights of employees to represent an employee organization nor restrict their right to negotiate or arbitrate contracts or disputes.

On commencement of negotiations, the Representative will furnish the names of all negotiators for the unit to the District. Either party may engage legal counsel at any time it is deemed advisable. Negotiation committee members who are employees of the District will be released with pay for up to sixteen (16) hours. Additional participants may use accrued time or be taken without pay. All time must be added to Skyward as District Approved Leave, 'Union Business' for tracking purposes. A combined total of sixty-four (64) hours of such leave is the maximum allowed for the entire committee during negotiation procedures. If additional time is necessary, this may be taken without pay or paid leave if accrued. Proper notice of absence must be given to immediate supervisor for leaves of this nature during working hours. Absences will be approved only for negotiation committee members.

This provision will not apply as a result of vacation replacements during the school calendar summer recess, unless the employee is assigned to a classification for ten (10) days or more in a thirty (30) consecutive calendar day period. The employee assigned to the higher classification must be willing and capable of performing the duties of the higher classification.

- 8.7.3 Fringe benefits will not apply while on leave with the exception that group health/hospitalization insurance may be continued with the employee to pay the entire cost of the premium.
- 8.7.4 If the employee later elects to buy back service credit for PERA, the employee will pay both the individual cost and the employer cost of such buy back.
- 8.7.5 The employee on leave will be required to notify the District thirty (30) calendar days prior to the expiration of the leave as to their intent to resign or return. Failure to do so will be considered a resignation by the employee on the day following expiration of leave.
- 8.7.6 The employee on leave who returns to work will be assigned to a similar position as held previously, if their seniority and qualifications apply.
- 8.7.7 Employees on leave are subject to the layoff provisions of this Contract.

8.8 Absence Due to Workers Compensation Case

An employee compensated for absences under workers compensation will continue to receive full pay as long as the employee has available sick leave. Deductions from sick leave will be prorated based on the difference between workers compensation and the employee's full wage. While on paid status with the District, the employee will continue to accrue sick leave and will be eligible for District paid benefits. If no sick time is available, an employee may use vacation or earned personal leave on a pro-rated basis.

8.9 Accrual and Payment of Benefits

Sick leave and vacation will be accrued upon completion of full months of service according to an hourly rate as established herein. Benefits will be accrued only while actually working or while on leave with pay. The actual salary for persons on leave with pay will be equal to their actual or average daily pay. For persons working less than twelve (12) months or eight (8) hours daily, the service year will be based on actual hours worked accruable to two thousand eighty (2,080) for one year's credit. Fringe benefits will be paid at applicable salary rates and accrue as implied in the salary and fringe benefit sections of this Contract.

8.10 Physical Examinations

The District may request a physical or psychological examination if there is evidence that the employee's capabilities have been impaired and that there is a change in their condition since employment. The District will select the physician or psychologist and pay for the examination. Employees experiencing repeated absences due to illness may be required to furnish medical proof of illness.

8.10.1 Bus Driving Physicals: Statute or other law or rule governing the qualifications of bus drivers determines the quantity of physical examinations for drivers. The District will pay the cost of a basic required exam with a physician and clinic of the District's choice. If the driver wishes to utilize an alternative clinic or undergo a more extensive examination than the basic required exam, the District will pay only up to the amount of the basic exam.

8.10.2 Failure to Qualify: Employees who fail to qualify for a position either physically or psychologically may request a one-year medical leave of absence. Employees unable to return to work after a one-year medical leave of absence will be separated from employment, unless otherwise required by law.

8.11 Loss of Time Due to Assault or Threat

8.11.1 Assault: An employee absent from work as a result of an assault while acting in a capacity for the District will not be charged with a loss of sick leave or any other leave for the length of time required for recovery, nor for any reoccurrence thereof. An absence under workers compensation will limit the obligation of the District to the difference between workers compensation and the employee's daily rate of pay as of the date of continuous absence. This paid leave will cease when the employee satisfies the qualifying period for long-term disability.

- 8.11.2 Threat:** An employee absent from work as the result of a threat while acting in a capacity for the District will receive up to five (5) days of paid leave not to be charged to sick leave or any other leave.
- 8.11.3 Police Report:** In order to be eligible for this leave, the employee must file a police report regarding the incident precipitating the use of this leave.

SECTION 9 – HOURS OF SERVICE

9.1 Board Rights

The Board reserves the right to determine the hours of employment and the length of the work year of all employees. This right will be limited only to the extent that it is explicitly stated in this Contract.

9.2 Basic Day

The basic workday of full-time employees is eight (8) hours. With the exception of transportation the hours will be consecutive, exclusive of the lunch period, unless the demands of the educational program or service to the public through school building use require temporary adjustments. These adjustments will be temporary, limited to specific days, and will apply to a minimum number of personnel to accomplish the service. Any custodial employee required to work eight (8) hours, which are not consecutive, will receive an additional three dollars (\$3.00) for each such day.

9.3 Basic Week

The basic workweek of full-time employees will be five (5) consecutive days consisting of eight hours (8) each and a total of forty (40) hours weekly. If employees are required to work other than Monday through Friday, such assignments will be kept to a minimum and the least senior qualified employee will be selected unless qualified volunteers are available, except for third shift employees.

9.4 Lunch and Break Time

Two fifteen-minute breaks will be allowed as a part of an eight (8) hour day. Lunchtime will be for one-half hour during the workday but is not a part of the eight (8) hour workday.

One fifteen (15) minute break will be allowed for employees with less than an eight (8) hour assignment. Lunch time for less than full-time will be one-half hour but is not part of the work day.

9.5 Interrupted Lunch

It is the District's intention that employees of this unit working in school buildings during day hours where only one custodian is on duty should have an uninterrupted lunch period of one-half hour. The District recognizes the employee's right to refuse request for services except under true emergency conditions. In the event an employee's lunch is interrupted by a true emergency, the employee will record such occurrence on the pay voucher, entering a maximum of one-half hour overtime. The principal of the building must approve by initialing the entry. The Director of District Support Services will have the right to investigate these occurrences if deemed necessary and initiate recommendations to minimize occurrences. It is expected that employees will cooperate in arranging for lunch periods, which will have a minimum of conflict with building activities. In buildings with two or more unit employees on duty, lunch periods will be arranged to allow one or more employees to be on duty at all times. This provision is not applicable to bus drivers.

9.6 Basic Year

The typical basic work year of full-time employees will be two thousand eighty (2,080) hours or two hundred sixty (260) workdays, but could be as high as two hundred sixty-two (262) workdays, which includes the allowance for vacation, sick leave, and holidays. Employees who work the full year are referred to as 12-month employees. Employees will be paid only for days worked or while on leaves or holidays as qualified in this Contract. Appointment of an employee to a specific position does not guarantee employment for the length or duration of the position as described, unless services are actually performed.

9.7 Emergency School Closings

On days when all schools are officially closed District-wide by the Superintendent or Governor due to snow or other adverse weather conditions, all employees will be given the time off with no loss of pay or required to be on duty depending on the type of school closing. Employees required to work or are already working when all schools are closed and most other employees excused from duties will be paid regular rates for the first eight hours of that day and will be granted an equivalent amount of vacation. If the employee is not able to accrue

vacation due to being at the maximum accrual rate, they will be paid for whatever hours cannot be added to vacation accrual. In lieu of vacation, transportation employees will receive an equivalent amount of compensation. In the event an employee's services are not required due to school closing or any other reason in excess of one day's time, the District will determine if compensation is to be paid after the first day. In the event that a school or several schools are closed due to equipment failure, the District may reassign affected employees during the closing. In the event of a lost contract day due to an emergency school closing, the District may establish a make-up day when the employee will perform his/her regular duties.

9.7.1 Official Closing: All schools are officially closed at the end of current shift after the Superintendent or Governor declares all schools closed. The Director of District Support Services at his/her discretion may send employees home before the end of the current shift, if weather conditions warrant.

9.8 Transfers within Classified Units

Employees transferring from one classified service to another within the District without a Break in Service will retain all fringe benefits applicable to their Hire Date. Wage levels applicable to the new department will not necessarily apply to the transferring employee. The Executive Director of Human Resources, after consultation with the appropriate supervisors and the employee, will determine wage levels based on the employee's ability and experience.

9.9 Probationary Period

The first six (6) months of employment from Hire Date will be a probationary period. The District may extend the probationary period for an additional six (6) months with prior notice to the Union. The District may terminate probationary employees at any time during the probationary period without cause.

**SECTION 10 –
RETIREMENT**

10.1 District 403(b) Plan (Tax Sheltered Annuity)

Upon employment, employees are eligible to participate in the District 403(b) plan without a District match, if authorized for no less than twenty (20) hours per week.

10.1.1 District Match: July 1 of each year, when eligible based on Hire Date in Appendix A (after approximately 5 years), the District will match the contributions of the eligible employees up to a maximum annual District contribution of three percent (3%) of the employee's annual gross wages. Beginning July 1, 2022, for employees having completed eighteen (18) years of service, the District will match the contributions of eligible employees up to a maximum annual District contribution of four percent (4%) of the employee's annual gross wages.

10.1.2 Election: Employees hired prior to July 1, 1999 elected to receive the District 403(b) match or the severance pay plan, but not both. See Appendix C.

10.1.3 Supplemental: Employees who are not eligible for the District match to a 403(b) plan may contribute to 403(b) plan as allowed by District policy. Such contributions will be deducted from wages with the entire cost paid by the employee.

10.1.4 Legal: The 403(b) plan and District matching contributions will be subject to all applicable state and federal laws, rules and regulations.

10.2 Retirement Group Insurance

Eligibility of the retired employee, spouse, and dependents for continued participation in the District health/hospitalization insurance and dental insurance will be determined by applicable state and federal law.

10.2.1 District Contribution to Health/Hospitalization Insurance in Retirement: Upon retirement if eligible based on Hire Date listed in Appendix A (after approximately 15 years), employees who are at least age fifty-five (55) will be eligible for continued participation in the District's health and hospitalization program with District paid contributions of up to one hundred dollars (\$100.00) per month for single coverage and up to one hundred fifty-two dollars (\$152.00) per month for employee-plus-one or family coverage. The retired employee will pay the balance of the premium cost.

a. Basis: An employee will be eligible for single or family contributions based on the coverage elected in the last one (1) year preceding retirement.

- b. **Duration:** Eligibility for the District contribution will cease when the retired employee reaches the age of Medicare eligibility.
 - c. **Notification of Retirement:** To be eligible for the District contribution, the employee must provide written notice of retirement thirty (30) days prior to retirement, unless the District waives this requirement.
 - d. **Termination:** No employee terminated for cause will be eligible for District contributions toward retirement health insurance.
- 10.2.2 **Benefits:** Retired employees will receive the same level of benefits each year as current employees actively employed.

SECTION 11 – LAYOFFS

11.1 Definition

Changes in organizational structure and assignments, decreasing workloads, shortage of funds, and other related reasons may necessitate layoff of employees. Advance notice of layoffs will be given with a minimum of 30-day notice or to the greatest extent possible.

11.1.1 **Attrition:** The District will attempt, if possible, to accomplish layoffs by attrition.

11.1.2 **Base positions:** Base positions are defined as those in Classes I and II.

11.1.3. **Promotional positions:** Promotional positions are defined as those in Class III and higher.

11.2 Layoffs

The District will consider the following factors relevant to bumping and layoffs.

11.2.1 **Principles:** Layoffs will be governed by the following principles:

- a. Employee meets the qualifications of a position before bumping into that position, or meets them within thirty (30) calendar days of bumping;
- b. The most senior employees retained;
- c. No employee bettered by applying procedure;
- d. The least disruption to the unit; and
- e. The easiest procedure possible to understand and apply.

11.2.2 **Overview:** To the extent possible, the lay-off of non-probationary employees with twenty (20) hours per week or more will be avoided by:

- a. The termination of temporary and substitute employees
- b. The termination of probationary employees
- c. The termination of part-time employees in positions of less than twenty (20) hours per week
- d. The transfer of employees within classification and hours to positions vacated due to resignation, termination or retirement.

11.3 Seniority Date

“Seniority Date” is defined in Section 3.7. District employee numbers will be used to break ties; the lower number will be the more senior.

11.3.1 **Transfer to Transportation:** Custodial employees who transfer to transportation will retain their original seniority date, if they meet licensure requirements within thirty (30) calendar days of the transfer.

11.4 Seniority List

A seniority roster list will be maintained for employees in positions as defined on the regular salary page and will be posted in October and April of each year and will include: name, Seniority Date (or seniority number per Section 11.4.5, if applicable), and classification. The roster list will be made current prior to implementing layoffs.

11.4.1 **Bus Drivers:** A separate seniority list will be maintained for employees in the unit who are employed as bus drivers.

- 11.4.2 **Bus Assistants:** A separate seniority list will be maintained for employees in the unit who are employed as bus assistants.
- 11.4.3 **One List Only:** Employees will appear on only one seniority list at a time.
- 11.4.4 **Bumping:** Employees may not bump from one seniority list to another.
- 11.4.5 **Frozen Order:** On June 30, 2007, the order of the custodial seniority list was frozen based upon seniority number. The custodial seniority list will continue to include seniority number for employees whose seniority order is frozen, until seniority number is no longer relevant.
- 11.4.6 **Placement by Seniority Date:** Placement on the custodial seniority list after July 1, 2007 will be by Seniority Date as defined by this Contract.

11.5 Base Positions

- 11.5.1 Bumping commences with the most senior employee whose position was eliminated.
- 11.5.2 In bumping, an open position or the least senior position will be identified by the District.
- 11.5.3 Employees who refuse to accept a position in a lower classification and fewer hours will be placed on layoff with right of recall.
- 11.5.4 Employees will not be assigned to a position with a higher classification and those assigned to lower classification will be given the appropriate pay at the lower classification.

11.6 Promotional Positions

- 11.6.1 Bumping commences with the most senior employee in the highest classification affected by a layoff and carries through the current classification and to the next lower classification, if necessary. Employees affected by layoff at that next lower classification have bumping rights in the same manner as stated above.
- 11.6.2 The seniority date will be the promotion date to the current position for bumping within the current pay classification.
- 11.6.3 The seniority date will be the promotion date to a position within the lower classification in bumping down if the individual previously held a position in that classification.
 - a. If the employee has not held a position in the lower classification, the hire date to the promotion position of the vacated classification will apply.
 - b. The seniority date will revert to the Hire Date if a base position is considered for placement.
- 11.6.4 In bumping within the classification or the next lower classification, the least senior or open position will be identified by the District.
- 11.6.5 A mutually agreeable assignment between the District and the employee that results in placement to a lower classification due to lack of appropriate qualifications will provide for retention of previously accrued promotional seniority.
- 11.6.6 Involuntary reassignment time to a lower classification, excluding actual layoff, counts toward promotional seniority accrued, if the employee returns to a promotional position at the first opportunity.
- 11.6.7 Promotional positions which open in the future will be posted as provided by this Contract. Employees who have been bumped from a promotional position with the same duties and at an equal or higher classification will be given recall rights to that classification. Employees must exercise this option to return to a previous classification at the first opportunity, or they will lose recall rights.

11.7 Laid-Off Employees

- 11.7.1 Fringe benefits will not apply when on layoff.
- 11.7.2 Accrued vacation pay will be included in the last paycheck prior to layoff.
- 11.7.3 Accrued sick leave will be restored on recall.
- 11.7.4 The last employee laid off will be the first rehired, if qualified for the position.
- 11.7.5 Laid-off employees who fail to accept a position in an equal or higher classification within fifteen (15) calendar days of receipt of recall notice will lose their recall rights. Employees who refuse to accept a position in a lesser classification or of fewer hours will not lose their recall rights.

- 11.7.6 Laid-off employees will be terminated after thirty-six (36) months from the date of layoff.
- 11.7.7 Laid-off employees will be notified by certified mail as openings occur. It is the employee's responsibility to inform the District of their current address.

11.8 Transportation Layoffs & Recall

11.8.1 Layoffs

- a. **Preliminary Steps:** The District will attempt to avoid layoffs in transportation through attrition by filling vacant positions and combining of vacant positions of few hours in order to offer viable positions to existing employees without assignments.
- b. **Application:** The layoff procedure will only apply to AM/PM routes. Drivers do not have recall rights to charters.
- c. **Rebid:** Due to a need to reduce routes or change school boundaries and as a last resort, the District will declare that a rebid of all routes is necessary. The District will rewrite and rebid routes and in the process, the employees with the lowest seniority will be laid off, if no further routes are available. Drivers who pass in the rebid process will have no recall rights for AM/PM routes, but may apply for charters under the charter regulations and must re-qualify for benefits.
- d. **Transportation Specialists:** The layoff procedure for Transportation Specialist positions will be by Seniority Date. Laid-off Transportation Specialists will be placed in the driver recall procedure. No new positions will be created in order to circumvent the layoff procedure.
- e. **Fringe Benefits:** Fringe benefits will not apply when on layoff.

11.8.2 Recall

- a. **Definition of Recall:** Acceptance of any AM/PM route will constitute a recall.
- b. **Charters:** Applicable charter regulations will be followed.
- c. **Procedure:** The District will notify the employee by certified mail of a recall offer and simultaneously attempt to contact the employee by phone. The employee will have a period of five (5) days from receipt of a written offer to notify the District that he/she accepts or refuses. If the employee fails to notify the District within the recall period or refuses the recall offer, the employee will lose all recall rights. It is the responsibility of the employee with recall rights to maintain a current official and/or an alternative contact address and phone number during the recall.
- d. **Sick Leave:** Accrued sick leave will be restored on recall.
- e. **Loss of Recall Rights:** Laid-off employees will be terminated three (3) years from the date of layoff.

SECTION 12 – GRIEVANCE PROCEDURE

12.1 Scope

For the purpose of this Section the following definitions and interpretations will apply:

- 12.1.1 **Bureau:** The Bureau of Mediation Services.
- 12.1.2 **Days:** Working days.
- 12.1.3 **Employee:** Any District employee who is employed in a position that is part of the appropriate unit for which the exclusive Representative has been certified under Minnesota Statutes, Section 179A.12.
- 12.1.4 **Grievance:** An allegation by an employee resulting in a dispute or disagreement between the employee and the District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Contract.
- 12.1.5 **Party:** Either the exclusive Representative and its authorized agent or the employer and its authorized representative.
- 12.1.6 **Service:** Personal delivery or service by the United States Postal Service, postage prepaid and addressed to the individual or organization at its last known mailing address. Service is effective upon

deposit with the United States Postal Service, as evidenced by a postmark or dated receipt, or upon personal delivery.

12.2 Computation of Time

In computing any period of time prescribed or allowed by this Section, the day or act or event upon which a period of time begins will be included, unless it is a Saturday, Sunday or Holiday.

12.3 Level One – Immediate Supervisor

When an employee or group of employees represented by an exclusive Representative has a grievance, the employee or an agent of the exclusive Representative will attempt to resolve the matter with the employee's immediate supervisor within twenty-one (21) days after the employee, through the use of reasonable diligence, will have had knowledge of the event or act giving rise to the grievance. The supervisor will then attempt to resolve the matter and will respond in writing to the grievant and the agent of the exclusive Representative within five days after the grievance is presented.

12.4 Level Two – District Representative

If the grievance is not resolved under Level One, the exclusive Representative may serve the written grievance upon the chief administrative agent of the employer or designated representative within fifteen (15) days after the written response required by Level One was due. The employer's representative will meet with the agent of the exclusive Representative within five (5) days after service of the written grievance and both parties will attempt to resolve the grievance. The employer's representative will serve a written response to the grievance on the agent of the exclusive Representative within five (5) days of the meeting. The response will contain a concise statement of the employer's position on the grievance and the remedy or relief the employer is willing to provide, if any.

12.5 Level Three – Arbitration

12.5.1 Referral to Arbitration: If the response of the chief administrative officer or designee is not received within the period provided in Level Two or is not satisfactory, the exclusive Representative may serve written notice on the employer of its intent to refer the case to arbitration within ten (10) days after the response required by Level Two is due.

12.5.2 Selection of Arbitrator: Within ten (10) days of the service of written notice of intent to arbitrate, the employer's chief administrative officer or designee will consult with the agent of the exclusive Representative and endeavor to mutually agree upon an arbitrator to hear and decide the grievance. If the parties do not agree upon the selection of an arbitrator, either party may request a list of impartial arbitrators from the Bureau. The parties will alternately strike names from a list of five (5) names to be provided by the Bureau until only one name remains, and the remaining name will be the designated arbitrator. The determination of which party will commence the striking process will be made by mutual agreement or a flip of a coin. If one party refuses to strike names from the list provided by the Bureau, the other party may serve written notice of this fact upon the Bureau, with a copy to the offending party. Unless it is confirmed that the parties have otherwise selected or agreed upon an arbitrator within three (3) days of service of the notice of refusal or failure to strike names, the Bureau will designate one name from the list previously provided to the parties and the person so designated by the Bureau will have full power to act as the arbitrator of the grievance.

12.5.3 Arbitrator's Authority: The arbitrator will have no authority to amend, modify, add to, or subtract from the terms of an existing contract. The decision and award of the arbitrator will be final and binding upon both parties.

12.5.4 Arbitration Expenses: The employer and the exclusive Representative will share equally the arbitrator's fees and necessary expenses. The party requesting the cancellation will pay cancellation fees and the party requesting the clarification will pay any fees incurred as a result of a request for clarification. Each party will be responsible for compensating its own representatives and witnesses except to the extent provided by this Section.

12.5.5 Transcripts and Briefs: Because arbitration is intended to provide a simple, speedy alternative to litigation processes, the use of transcripts and briefs should be considered only in exceptional circumstances. If a verbatim record is required, it may be prepared providing the party desiring the record pays the cost and makes a copy available to the other party and the arbitrator without charge. The arbitrator may maintain written notes of the hearing and may use an electronic recording device to

supplement the note taking. These notes will be considered the arbitrator's private and personal property and will not be made available to the parties or another third party. If the arbitrator uses a recording device to supplement the arbitrator's notes, the arbitrator will retain the recording for a period of ninety (90) days following the issuance of the award.

12.6 Processing of Grievance

- 12.6.1 Release Time:** To the fullest extent feasible, the processing of the grievances under this Section will be conducted during the normal business hours of the employer. Employees designated by the exclusive Representative will be released from work without loss of regular non-overtime earnings as a result of their necessary participation in meetings or hearings held pursuant to this Section, whenever such release is consistent with the ability of the employer to conduct safe and reasonable operations. No more than three employees will be entitled to compensation for participation in a single meeting or hearing with respect to any one grievance.
- 12.6.2 Waiver of Levels:** The parties may by mutual agreement waive participation in the grievance steps in this Section and may similarly agree to extend the time limits established by this Section.
- 12.6.3 Time Limits:** A failure to raise a grievance within the time limits specified in Level One or to initiate action at the next level of the procedure in Level Two or Level Three within the time limits in these sections will result in forfeiture by the exclusive Representative of the right to pursue the grievance. A failure by the District to comply with the time periods and procedures in Level One, Level Two, or Level Three will constitute a denial of the grievance and the grievance is automatically appealable.

SECTION 13 – DURATION

13.1 Term and Reopening Negotiations

This Contract will remain in full force and effect for a period commencing July 1, 2021, through June 30, 2023, and thereafter according to law.

APPENDIX C - SEVERANCE PAY

NOTE: In 2007-09 Contract, the sections below were moved to this Appendix. By moving these sections, the District's intent is to identify which employees are eligible for this benefit through special election, not to deny or limit employees' access to severance pay or to change the relevant provisions.

C. Severance Pay Plan

Employees who have not opted for the District 403(b) match in Section 10.1.2 will be eligible for severance pay under the provisions of this plan.

- C.1 Eligibility:** Permanent classified personnel with either 10- or 12-month assignments who work a minimum of four (4) hours a day or more. This requirement applies to accrual of credits and eligibility for severance pay. Qualified employees must be at least age fifty-five (55) and have had a minimum of five (5) years of continuous service. Employees who retire, resign or are terminated by District action due to expiration of a leave of absence for illness and are otherwise qualified will be eligible for severance pay. Terminations due to any other circumstances do not qualify for severance pay. Transportation employees are not eligible for any retirement benefits set forth in this Appendix.
- C.2 Accrual of Credits:** A combination of accrued sick leave and service credits will be used to a total of one hundred (100) days credit. Accrued sick leave will be used on a one to one basis to a maximum of ninety (90) days. Additional credits will be given for continuous service at a rate of five days for each full fiscal year of service to a maximum of seventy-five (75) days. Accrual of credits is retroactive for currently qualified employees. An exception will be made for the last year of service in which retirement occurs where a full year's credit will be given if the employee resigns after nine (9) months or more of service.
- C.3 Notification of Retirement:** A written notice of retirement will be required with a minimum notice of thirty (30) days prior to retirement but a ninety (90) day notice is preferred. The District may waive this provision.
- C.4 Computation of Severance Pay:** The daily rate of severance pay will be based on the average salary and hours worked per day during the last credited fiscal year and will include stipend pay and night shift differential pay, but exclude temporary and extra assignments. Employees retiring or attaining age fifty-five (55) and have had a minimum of five (5) years of continuous service will receive one hundred percent (100%) of accrued credits.
- C.5 Schedule of Severance Payments:** The District will pay Severance within thirty (30) days from the effective date of retirement. The District will deposit the entire calculated severance amount into the Post Retirement Health Care Savings Plan administered by the Minnesota State Retirement System. In the event the employee dies with severance unpaid, the severance will be paid to the employee's named beneficiary, if any, or to the employee's estate.
- C.6 List of Custodial Employees Who Elected Severance:** The following custodial employees listed in Table C hired prior to July 1, 1999 have elected to participate in this Severance Pay Plan as identified in this Appendix. They are not eligible to participate in the 403(b) matching plan set forth in Section 10.1.2.

APPENDIX D - TRANSPORTATION ROUTE ASSIGNMENTS AND CHARTER REGULATIONS

The parties agree to meet and negotiate changes to the following Route Assignment and Charter System if necessary during the term of this Contract. If any of the guidelines below are not followed, the driver can and will be suspended from future charter work depending on circumstances.

D.1 Route Assignments

- D.1.1 Posting:** Any new or vacant route assignment will be posted for a period of no less than five (5) working days.
- D.1.2 Assignments:** Route assignments will be awarded on the basis of highest seniority and hours worked not exceeding a ten (10) hour day or forty (40) hour workweek.
- D.1.3 Voluntary Leaves of Absences:** At the discretion of the District, three (3) transportation employees at a time may take voluntary unpaid leaves of absence of up to two (2) weeks and return to their assigned routes. In addition, two (2) transportation employees at a time who have five (5) or more years of service may take voluntary unpaid leaves of absence for up to thirty (30) calendar days and return to their assigned routes. These leaves will be limited up to one leave per person per school year, and are not subject to grievance. Leaves of absence of up to twelve (12) weeks taken pursuant to the Family Medical Leave Act (FMLA) will be administered in accordance with that law and not count toward the one leave per year, and the driver's route will be filled temporarily.
- D.1.4 Route Assignments**
Employees shall receive a copy of their route standard at their request within a reasonable time frame. Requests made at peak times may not be processed immediately.
- D.1.5 Two Hour Minimum**
If an employee's assigned transportation route is less than two (2) hours, the employee may either 1) be available for work onsite for the remainder of the two hours and check in with their supervisor regarding available duties or 2) punch out and be paid only for actual time worked. Employees should reference section 7 and Appendix E for any impact on hours and eligibility for benefits.

D.2 Charter System

Charters are very important because they generate needed revenue and they provide opportunities for extra work for our drivers. To retain and grow this opportunity, we need to provide great customer service. Getting our customers to and from their destination safely, on time and with professional, friendly service, are expectations of our customers. The following guidelines are designed to help us deliver great customer service.

D.3 Posting Charters

- D.3.1 Regular Charters** (not "last minute" charters)
 - a. "Sign-up Sheets" will be posted on the bulletin board by 1:30 pm Friday, the week before they are scheduled to be awarded.
 - b. The postings will remain up until 3:00 pm on Wednesday.
 - c. Awarded charter assignments will be posted Friday by 1:30 pm the week before they are scheduled to run.
- D.3.2 Last Minute Charters** (charters that cannot be posted because charter info was not available at time of Monday posting)
 - a. Last Minute Charter will use the "Sign-up Sheets" which will be posted on the bulletin board on Monday the week before they are scheduled to run.
 - b. The postings will remain up until 3:00 pm on Wednesday.
 - c. Awarded Last Minute Charter assignments will be posted on the board at the end of the week.

D.4 Applying for Charters

D.4.1 Regular Charters

- a. Driver will print, in ink, the charter numbers they want to bid on next to their names on the posted "Sign-up Sheet". Drivers will note "All" or "Any" next to their names if they want to bid on any trip available.

- b. Drivers must not sign up for charter work that interferes or overlaps with their regular route times. School routes take precedence over charters.
- c. A Driver must be aware of the weekly total hours of his/her regular route. Drivers should not sign up for any charters that have projected hours that will put their weekly total into overtime. For example, if a driver's regular route is 38.50 hours, the driver cannot sign up for any charter that is more than 1.50 hours.
- d. Drivers are responsible for signing up for charters while the "Sign-up Sheets" are up on the bulletin board. Once the sheet has been taken down, no more sign-ups will be allowed. There will be no exceptions.
- e. Drivers should not sign up for charters just so they can call in sick at the last minute and expect to get sick pay.

D.4.2 Last Minute Charters

- a. On any workday a last-minute charter might come in. Dispatch will go through the "Sign-up Sheet" by seniority and assign to drivers. A driver that has already been awarded a charter for that given time period will be passed over regardless of seniority, unless a specific qualification is necessary for the charter.
- b. Drivers must not sign up for charter work that interferes or overlaps with their regular route times. School routes take precedence over charters.
- c. All drivers interested in last minute charters must print their name, in ink, on the "Sign-up Sheet". Drivers must note "All" or "Any" next to their names if they want to bid on any trip available or to be considered for last minute charters.
- d. The charter assignment will not cause the driver to exceed a forty (40) hour workweek.

D.5 Assigning Charters

D.5.1 Regular Charters

- a. Charters will be assigned to drivers who have signed up, based on two criteria:
 - 1. Seniority
 - 2. The charter assignment will not cause the driver to exceed a forty (40) hour workweek.
- b. A driver may not trade or transfer his/her charter assignment to another driver.
- c. Charter assignments will not be based on customer requests.
- d. Non-transportation staff will not be assigned to a charter unless the charter requires at least one overnight stay.
- e. If a driver is not satisfied with a charter assignment, they must first speak to the dispatcher who assigned the charter to clarify the reasons for the assignment. If the driver is not satisfied with the clarification, the driver will then discuss his/her concerns with the Assistant Director or the Director within two (2) working days of the assignment.
- f. Charters requiring the use of a wheelchair during the course of the trip will only be assigned to drivers with wheelchair training. Charters requiring a wheelchair will be posted indicating this requirement.
- g. Upon ratification of the 2019-21 contract, drivers wishing to driver charters will receive wheelchair training within thirty (30) days. If the District is unable to provide the training within thirty (30) days, the time will be extended until such training can be offered. Drivers will be eligible to continue driving charters until such time the training has been provided and completed.

D.5.2 Charter Structure

- a. Charters will be round trip, unless the requestor specifies two one-way trips. A demonstrated shortage of drivers may be an exception requiring two one-way trips.

D.6 Canceled Charters

For charters canceled within two (2) hours of charter sign in, the assigned driver will be paid for two (2) hours and must remain onsite and be available for other transportation related work

D.7 Overnight Charters

- D.7.1** The first day and last day of an overnight charter, the driver will be paid the actual hours worked.
- D.7.2 Layover Days:** A layover day may occur when a charter trip extends for more than two days and the driver is required to stay with a group. A layover day is always preceded and followed by an overnight stay. If a layover day or days is required, the driver will be paid for 8 hours that day even if less than 8 hours of the driver's time is required.
- D.7.3** On layover days, the driver must be available to the group at whatever times the group requests, to provide transportation for the group.
- D.7.4** Non-transportation staff will not be paid by the Transportation Department for layover days.

D.8 Charter preparation

- D.8.1** Drivers assigned to weekend or holiday charters are responsible for calling the designated phone number as a sign-in. This allows the person taking the sign-in calls to let teachers or coaches know that the bus is on time and/or on its way. The sign-in call also lets us know that you are on time.
- D.8.2** Drivers are responsible for knowing where the charter is going in advance and how to get to the destination. If a driver doesn't know the route, the driver must ask for a map or directions before leaving the garage.
- D.8.3** Drivers are responsible for reading the charter slips. A "Notes" box at the bottom of each charter slip will provide special instructions, such as which door to pick up at or if there is more than one school being picked up.

D.9 Expectations of the Charter Driver

- D.9.1** If a driver is driving a charter return from an after school event the driver needs to do the following:
- Leave for the pick-up destination immediately following the end of his/her regular school route.
 - Locate his/her group at the pick-up destination and check in with the group leader.
- D.9.2** Drivers are responsible for staying with the charter group unless it is arranged with the group's leader that the driver can leave and a return time is determined. If the driver has been given permission to leave the group, the driver must be back at the time specified by the group leader. Being on time is very important! At no time should the absence from the group exceed 45 minutes or exceed a distance of 3 miles away from the group.
- D.9.3** Drivers should be aware of inclement weather approaching. Drivers should discuss the weather with dispatch. If dispatch is not available, drivers should seek more information about weather conditions (radio, TV, etc.) If severe weather is approaching and the driver has left the charter group, the driver should return immediately to the charter group.
- D.9.4** Drivers on charters must fill out the charter slip completely:
- Miles.
 - Time. The driver must record charter time only.
 - Have the slip signed and end (release) time noted by the coach or teacher.
 - Turn the slip in within 48 hours.

D.10 Assurance

If a driver is not assigned a charter during a particular week, there is a reason. Dispatch is not being prejudiced or showing favoritism for certain drivers. Please ask before accusing. Some reasons for not being given a charter would include:

- The driver has too many route hours.
- The driver already did extra work and a charter would put the driver into overtime.
- Scheduled charters conflict with the driver's regular route.
- There are not enough charters available.

 - **Decrease in hours:** If an employee during the school year bids on a route the hours of which will decrease employee's authorized hours which results in a change in eligibility for benefits, then the employee will be notified of the effect of the change and be given the opportunity to 1) accept the change in eligibility, effective on the first day of the month after the decrease in hours occurs, 2) accept the change in hours and additionally indicate whether the employee expects to pick up sufficient hours within the next calculating period (as defined below) to maintain his/her eligibility, or 3) decline the route.
