REFERENDUM 2022

SAFE & INNOVATIVE
Schools

Bloomington Public Schools is proposing a renewal on the ballot this fall to...

- ☒ **Reinvest in School Safety and Security**
- ☒ **Reinvest in Next Technologies for Learning**

In 2013, voters approved a 10-year capital projects levy which provided funding for school safety/security and educational technology. That referendum is set to expire in 2024.

School Safety and Security

- Enhance security measures including a visitor management system
- Upgrading alarm, video and emergency communications
- Expand training in threat assessment, incident response and mental health

Next Technologies for Learning

- Expand anytime/anywhere learning solutions
- Improve classroom technology and digital learning platforms
- Empower teachers with technology integration skills and tools

bit.ly/bps-2022-referendum

Election Day: Nov. 8

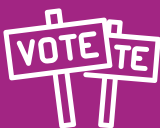

Keeping schools safe creates a secure environment where students can learn and thrive.

Technology skills provide options for career, college or other pathways to graduation students may choose.

A renewal will have no tax increase on property owners as a whole, unless property values increase in the future. If approved, the tax rate does not change and renews at 5.858 percent.

Early voting is now open! Any Bloomington resident 18 years and older can register to vote. Register, check your status or request an absentee ballot at mnvotes.org.
