Student Pay-to-Ride Agreement

WHO IS ELIGIBLE?

The Bloomington School District transports students that live:
greater than **½ mile** for elementary schools
greater than **1¼ miles** for middle and high schools

Students who are not eligible for free transportation (those living within the above stated distances), may apply to be transported to and from school on a fee basis (Pay-to-Ride service).

Students who are Open Enrolled are **NOT** eligible.

WHAT ARE THE PAY-TO-RIDE FEES?

Refer to the fee schedule on the application form.

HOW TO APPLY?

Complete this form and submit it, along with payment, to the District Transportation Center at the address below. **This application must be submitted by August 14, 2023 for service to begin on the first day of school.** The fees will not be prorated for services provided if student(s) rides for less than a full school year.

WHAT IS THE APPROVAL PROCESS?

The application will be reviewed by the District's Transportation Department. Approval will depend upon seating availability and routing/scheduling limitations. The district will determine pick up and drop off locations that fit routing/scheduling limitations. Students will be required to use the nearest established bus stops for the route that travels to their school. **New bus stops will not be added** to accommodate Pay-to-Ride service. After approval has been determined, the District's Transportation Department will contact the family with busing information.

CAN THIS AGREEMENT BE CANCELED?

The district may cancel this agreement at any time due to safety/discipline issues, changes in seating availability, and/or changes in routing or scheduling. Prorated reimbursement will be made if the district cancels this agreement during the school year.

If the student or the student's family cancels this agreement, an application to resume Pay-to-Ride services will not be approved for the same school year and no prorated reimbursement will be made.
