

PTSA Meeting 12/3/24

School fundraiser is on hold for now.

Dance discussion: There was one parent concerned about inappropriate music. Tim handled it. We won't be hiring that DJ again. Going forward we will have the DJ sign a contract regarding clean version music. Students suggested they could create a playlist of recommended songs. There is interest in a spring dance. Could be in the gyms, and another idea is to create a space for kids who need a break from the noise and crowds. We would need a date fairly soon so that we could book the gym space. We should also book the fall 2025 dance early enough to book the gyms. Lisa from Bounce Around would like to support again. There could be themes that rotate every three years. Communicate with clarity to parents that they MUST be background checked in order to attend the dance.

Principal's Report: see [Slide Deck](#)

Student council wants to offer the virtual cooking class again. \$10 per family that raises money for Leukemia society. PTSA will donate the groceries for the students.

Book Fair - Emily ask Kristi J if it can be in the library. Student Council will support. Kelly McD-S and Karin R will help support also. Promote eWallet and teacher wish lists ahead of time.

Kris Krenz is offering to run an 8th to 9th registration seminar for parents. January Virtual meeting and include a QR code link to PTSA membership
