My name is Louie and I'm a Cavalier King Charles Spaniel. I think I am the best dog ever! I am a Therapy Dog, meaning I am very well trained. My favorite thing is when kids read to me and give me pets while I lay on my blanket. My human says research shows reading to a dog helps build reading confidence, which is very important to young readers...

I don't know what that means, but I know it's fun to have kids read to me! I hope to see you at the library!
