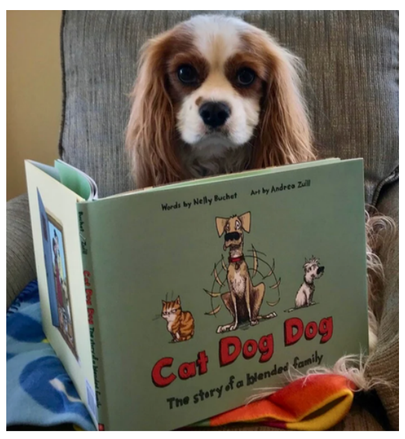
October 20th
November 17th
December 8th
January 12th
February 9th
March 16th
April 13th

Our furry and fuzzy friends are excited to help young readers improve their skills!

Students Grades K-3 can join us at the Penn Lake Library and book a session to read with a therapy dog or a pair of therapy bunnies!

The presence of a comforting animal can improve young readers' confidence, and it's always more fun to share a good book with a friend.



STUDY BUDDIES

Free tutoring for students needing help in math and reading. Sign up for a session at **https://bit.ly/Study2627**
