

On the Go

PreferredOne's Mobile Website

Now you can get valuable PreferredOne benefit information on your mobile device. Information that allows you to make good health benefit decisions that can save you money and make your health care more convenient. Simply use your mobile device, visit PreferredOne.com or scan the QR code. No need to download an application. And you can be assured your information is secure with password protection.

FIND A PROVIDER

Locate the nearest in-network urgent care, clinic, doctor, or hospital. The search function will locate the closest PreferredOne in-network providers. Address, phone numbers and maps are available.

VIEW COVERED MEMBERS

Forgot your member ID card? Go online and access your member ID # for you and any covered dependents. How handy is that!

DEDUCTIBLE AND OUT-OF-POCKET BALANCES

Want to know if you have met your deductible or the balance remaining? Same goes for reaching your out-of-pocket maximums. Now you can go online and keep track of your PreferredOne claims for you and your covered dependents. Our handy barometer gives you a quick visual check on where you stand on:

- Individual and Family Deductibles by member (in-network and out-of-network)
- Out-of-Pocket Expenses by member (in-network, out-of-network, and combined)

For those with a Health Reimbursement Arrangement (HRA) you can view your HRA balance summary and paid amount by member including, carryover amount, employer contribution, paid amount and remaining balance.
