The regulations will comply with the basic philosophy of the District regarding activities, the definition of activities, and applicable Minnesota State High School League rules as set forth in the MSHSL Official Handbook.

Basic Philosophy of the District regarding activities.

III. DEFINITION OF ACTIVITIES

Activities are defined as follows: interscholastic athletics, fine arts, academic teams, and student clubs sponsored by the District or school. Activities subject to the eligibility requirements in this Policy are competitive interscholastic athletics, fine arts, and academic teams.
