POLICY 202  SCHOOL BOARD ELECTIONS

I. PURPOSE:

To establish:

- The election process, terms of office, and responsibilities for School Board members.
- The election process, terms of office, and responsibilities for School Board officers.

II. GENERAL STATEMENT OF POLICY

A. SCHOOL BOARD

1. ELECTIONS

   Qualified voters of Independent School District 271 shall elect members of the School Board at-large. Elections shall be held in accordance with prevailing law.

   School Board general elections shall be held during the odd numbered years, on the first Tuesday after the first Monday in November.

   Any vacancy on the School Board will be filled by the School Board as required by state statute.

2. TERMS OF OFFICE

   Each elected School Board member’s term of office shall be four years. Terms of office shall begin/expire on the first Monday in January following the School Board election. The Clerk of the School Board shall maintain a public record of terms of office for each School Board member.

3. RESPONSIBILITIES

   a. Participate in the exercise and performance of powers and duties of the School Board as defined in state statutes and Independent School District 271 Policies.

c. Represent the School Board and Independent School District 271 as delegates or representatives on various committees and commissions as determined by the whole School Board.

B. BOARD OFFICERS

1. ELECTIONS

The School Board shall elect officers during the first meeting in January. Under the law, the School Board must meet and organize by selecting a Chair, Clerk, and a Treasurer who shall hold their offices for one year and until their successors are selected and qualify. A remote possibility exists that all of the most recently selected School Board officers and members will no longer be on the School Board or are unavailable; in that case, the School Board as a whole should call the meeting to order. If the most recently selected Chair (the person elected Chair last year) is still on the School Board, that School Board member should call the meeting to order and run the meeting until his or her successor is selected and qualifies. If the most recent Chair is no longer on the School Board or is not available, the most recently selected Vice Chair, Clerk or Treasurer in that order, should be asked to call the meeting to order and run the meeting. Otherwise the School Board must select a different member to open the meeting and preside over the election of the Chair, who will then move into place and conduct the rest of the elections and meeting. If all of the most recently selected officers are unavailable and the School Board is unable to reach a consensus, the School Board should use an agreed upon method, such as calling on the most senior School Board member present or the member who draws the shortest straw, to choose a person to serve in that capacity.

After the swearing in of new School Board members, if appropriate, and approval of the agenda, School Board officers shall be elected to distribute corporate responsibilities and ensure all legal and binding activities of the District are fulfilled.
