IV. RECOGNITION OF STAFF/PUBLIC

Family School is a family literacy and learning program that focuses on four areas of family learning--English and basic skills classes for adults; classes for children, birth to age five; parent education and child development classes for parents; and parent and child together time.

Library Project
The program provides resources for families to help their student(s) start school ready to learn. Family School enrollment is open to Bloomington and Richfield families meeting certain income guidelines. Hennepin County Libraries has partnered with the program and provided funding for a number of literacy-based projects. Family School participants were able to access full library services through the Read Mobile, which stops once a month at Pond, Southwood and Elliot Centers. Parents Shirley Jara and Margarita Olvera shared their experiences with the program and highlighted a book project in which volunteers assisted parents in the making of personal family books. The Library Foundation also funded a writing and photography workshop and paid for the book kit.

Principals and Assistant Principals
All year long the accomplishments of teachers and students are acknowledged at our School Board meetings. Behind those accomplishments are outstanding principals who make the difference. Assistant Superintendent Dr. Nancy Allen-Mastro honored administrators of our elementary and secondary schools. She also highlighted this year’s honors, which included four schools receiving Schools of Excellence designation by the Minnesota Elementary Principals’ Association—Indian Mounds, Olson, Valley View and Washburn. Dr. Gail Swor was honored as the state’s National Distinguished Principal.

Tim Culver moved, Maureen Peterson seconded, that the School Board of Independent School District No. 271 approves a contract with PreferredOne Administrative Services to become the third party administrator for its self-insured Employee Group Health Insurance plan for the 12-month period from July 1, 2009 to June 30, 2010, as follows:

| Monthly Administrative Services Only | $25.00 per employee |
| Nurse line /Employee Assistance Program | $2.00 per employee per month |

District Legal Counsel and District Insurance Agent of Record reviewed the contract. Motion carried unanimously.

After an extensive evaluation of fully-insured and self-insured options in the Labor Management Committee (LMC) over the past school year, LMC recommended that the District move to self-insured funding for health insurance. As required by state law, the largest union group, the Bloomington Federation of Teachers, agreed in writing to the move to self-insurance on March 16, 2009. The Board approved the move to self-insurance on April 13, 2009.

LMC considered four third-party administrators: BlueCross BlueShield, Medica, Health Partners, and PreferredOne. After narrowing down the search to Health Partners and PreferredOne who were comparable in administration fees and services, LMC chose PreferredOne. This decision was based upon PreferredOne’s experience with other self-insured school districts in the metro area and the District’s past experience with PreferredOne. In addition, ING will provide stop loss coverage (re-insurance) for the self-insurance plan. That contract will be forthcoming after June 30, 2009, once the 2009-2010 claims have fixed.

Jim Sorum moved, Arlene Bush seconded, that the School Board of Independent School District No. 271 accepts the Marco, Inc., St. Paul, Minnesota bid of $301,780.50 to provide Technology Infrastructure Hardware and authorizes Administration to issue a purchase order to Marco, Inc. to facilitate these purchases. Motion carried unanimously.

This bid is for the replacement of outdated computer networking equipment at Jefferson and Kennedy High Schools. Bid specifications were sent to nine companies specializing in these products. Marco, Inc. was the only bid received. The new equipment will enable current initiatives such as laptops for students and future initiatives such as wireless access for laptops and desktops. It will also provide greater capacity for video, voice and data to the classrooms. Funding for this infrastructure equipment is from the District’s technology referendum. The bid specifications were reviewed by our District attorney and insurance agent. Work is expected to be completed during the summer.
Bid Award/
Supplemental
Student
Transportation

Maureen Peterson moved, Arlene Bush seconded, that the School Board of Independent School District No. 271 awards bids for supplemental student transportation sources as follows:

- Special Ed Routes to Septran, Inc., Bloomington, MN at $198.35 per route.
- Regular Routes to Adam Services, Inc., St. Louis Park, MN at $282 per route.
- Field Trips and Charters to Minneapolis & Suburban Bus Company, Inc., Minneapolis, MN at $146.25 per route.
- Short Term out of District Routes to Twin City Transportation, Inc., Mendota Heights, MN at $44.50 per student.
- Early Reading First Program to Septran, Inc., Bloomington, MN at $89 per day.

Motion carried unanimously.

When demand exceeds our District’s bus fleet capacity or when the demand is temporary, our District may subcontract to meet this demand. The subcontracted services are called supplemental student transportation services. In anticipation of this demand, District administration solicits bids to handle the various types of supplemental student transportation services. This process commits subcontractors to be ready to provide services when needed and fixes their rates for planning purposes. The bid specifications were reviewed by District legal counsel and insurance agent.

School Bus
Charter Rate
Increase

Chuck Walter moved, Maureen Peterson seconded, that the School Board of Independent School District No. 271 approves increasing the non-school bus charter rates by 4% for the 2009-2010 school year. Motion carried unanimously.

Our District’s Student Transportation System provides charter services to District and Non-District clients, i.e. churches, non-public schools, etc. A charter service includes the use of a bus, a driver, fuel and insurance coverage. Our District has two charter rates, a prime time and a non-prime time rate. Prime time is when our Student Transportation System is transporting students to and from school. The prime time rate is higher to encourage customers to book charters during non-prime times.

The charter rates for 2009-2010 are proposed to increase by 4% largely because of the rise in fuel prices. The proposed 2009-2010 rates are as follows:

Pay-to-Ride Rate Increase
2009-2010

Jim Sorum moved, Arlene Bush seconded, that the School Board of Independent School District No. 271 approves the following proposed 2009-2010 Pay-to-Ride rates:

- A family with 1 student rider $160
- A family with students riding the same bus $220
- A family with students riding to two (2) schools $253
- A family with students riding to more than two (2) schools $315

A family with student(s) on the free and reduced meal program will receive a 20% discount.

Motion carried unanimously.

Our District offers pay-to-ride services to students who live within the walking zone of their respective schools. The proposed 2009-2010 rates have been differentiated to consider ability to pay and the level of service to be provided. The proposed pay-to-ride rates were based on our market research of other school districts. The new rate represents a 4% increase. The walking zone for elementary school students is one-half mile. The walking distance for secondary students is one and one-fourth mile. As part of the budget reductions/revenue enhancements/shifts effective with the 2009-2010 school year, the walking distance for secondary students was increased from one to one and one-fourth miles.

General Fund
2009-2010

Maureen Peterson moved, Chuck Walter seconded, that the School Board of Independent School District No. 271 approves the proposed 2009-2010 revenue and expenditure budget for the General Fund. On roll call vote the following directors voted aye: Chuck Walter, Tim Culver, Maureen Peterson, Jim Sorum, Arlene Bush and Maureen Bartolotta. Mark Hibbs voted nay. Motion carried 6-1.

Director Hibbs indicated he could not support the motion for the following reasons—speech/debate is being cut 15-25% and sports are not, the strategic mentor program is being weakened and student parking fees are not being raised.

The purpose of this policy is to set expectations for a system for reimbursing employees for qualifying business expenses. Policy 412 was reviewed at the June 15, 2009 School Board Workshop. This policy follows the MSBA model and has been reviewed by the school district attorney.
Maureen Peterson moved, Tim Culver seconded, that the School Board of Independent School District No. 271 approves the second reading of Policy 702 Accounting. Motion carried unanimously.

The purpose of this new policy is to comply with Minnesota State Law in reporting financial information. Policy 702 was reviewed at the May 15, 2009 School Board Workshop. There is no regulation accompanying this policy. This policy has been reviewed by the District legal counsel.

Chuck Walter moved, Maureen Peterson seconded, that the School Board of Independent School District No. 271 approves:

1. November 3, 2009 as the date for a School District General Election
2. There will not be a School District Primary Election.
3. The terms and conditions for these elections (on file).

Motion carried unanimously.

The terms of four board members are expiring in 2009; therefore, an election(s) to fill the expiring seats needs to be held. This resolution is part of process to hold such an election. The School Board previously rescinded its resolution to conduct a primary election for School Board elections, thereby establishing a no primary status, which is in effect until revoked by subsequent School Board action.

Filings will be accepted at the Educational Services Center, 1350 West 106th Street, Monday through Friday from 8:00 a.m. to 4:00 p.m. (until 5:00 p.m. on September 8th). Filings open on Tuesday, August 25, 2009 and close on Tuesday, September 8, 2009 at 5:00 p.m. The filing fee is $2.00.

Jim Sorum moved, Arlene Bush seconded, that the School Board of Independent School District No. 271 approves a three-year contract effective July 1, 2009 through June 30, 2012 with Les Fujitake as Superintendent of the Bloomington Public Schools under the terms and conditions agreed to and set forth in the Superintendent’s Contract. Per District Counsel, a minor language change was made to vacation and omissions were corrected in District insurances. The School Board authorizes the Chair and Clerk of the Board of Education to sign the new contract. Motion carried unanimously.

The School Board's Personnel Committee for the Superintendent's Contract (Jim Sorum, Chuck Walter and Maureen Peterson) met to review the Superintendent’s current contract and draft a new three-year contract. Jim Sorum, Chair of the Committee, presented the Committee’s recommendation to the full School Board at a workshop held June 15, 2009. The contract for Superintendent Les Fujitake is for three years effective July 1, 2009 through June 30, 2012. The terms and conditions of the contract have been prepared by the District’s Counsel and agreed to by Les Fujitake.
This is the second three-year contract for Les Fujitake as Superintendent of Schools. No substantive changes have been made to the new contract. Per District Counsel, a minor language change was made to the section regarding vacation and terms pertaining to health insurance that were inadvertently omitted in the original contract. For 2009-2010, the contract reflects no change in salary from the 2008-2009 school year. It was the desire of the Superintendent to take a salary freeze.
