POLICY 503   STUDENT ATTENDANCE

I. PURPOSE

A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.

B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student’s Responsibility

   It is the student’s right to be in school. It is also the student’s responsibility to attend all assigned classes and study halls every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student’s responsibility to request any missed assignments due to an absence.

2. Parent or Guardian’s Responsibility

   It is the responsibility of the student’s parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher’s Responsibility

   It is the teacher’s responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher’s responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also the teacher’s responsibility to provide any student who has been absent with any missed assignments upon request. Finally, it is the teacher’s
responsibility to work cooperatively with the student’s parent or guardian and the student to solve any attendance problems that may arise.

4. Administrator’s Responsibility

a. It is the administrator’s responsibility to require students to attend all assigned classes and study halls. It is also the administrator’s responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance, and to prepare a list of the previous day’s absences stating the status of each. Finally, it is the administrator’s responsibility to inform the student’s parent or guardian of the student’s attendance and to work cooperatively with them and the student to solve attendance problems.

b. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. § 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

B. Attendance Procedures

1. Excused Absences

a. To be considered an excused absence, the student’s parent or legal guardian may be asked to verify, in writing, the reason for the student’s absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.
